

Baseball Ltd. is a wonderful facility for the player who wants to excel at any level. Tim, Jon, and the other qualified instructors go above and beyond to meet the needs of their students in order for them to be the very best they can be. Our son, Chris, played for the Huntington Hounds in the inaugural 1999 and 2000 seasons. The summer traveling teams provided him with the opportunity to play against better competition, and this prepared him for a successful college career at Eastern Kentucky University. Chris was drafted in 2004 by the Houston Astros, and currently plays for the Lexington Legends. We highly recommend Baseball Ltd. to any player who wishes to excel at any level of baseball. Remember to always to "Bring Your Best"!!!
