

## **Testimonial – John Blanton**

**I would like to take the opportunity to express my gratitude to the members of the Huntington Hounds' organization for allowing my sons and family to become part of the Hounds' family. My two sons have had the good fortune of playing for the Hounds and being a part of one of the top summer baseball programs in the country. They have had the opportunity to be involved with an organization that not only stresses the importance of maximizing an athlete's athletic potential, but emphasizes the development of a strong work ethic. The Hounds focus on their players becoming the best athletes and people they can be.**

**During my sons' three year tenure with the Hounds, they have had the opportunity to travel to many tournaments across the eastern United States, and play with some of the top players in the Tri-State area. During tournament play the Hounds showcase their players against some of the top teams and players in the country. The exposure that Hounds' players receive playing in front of college and professional scouts is a priceless experience. I can wholeheartedly endorse and recommend the Huntington Hounds as an avenue to enhance any young man's dream to play baseball at the next level, be it collegiate or professional, or if nothing else, to just have a summer of fun. We have had the times of our lives with our involvement with the Huntington Hounds, and times that my family will always cherish. Tim and Jon, thanks again for the confidence and the opportunity...words could never describe our appreciation.**
