

Memo to: Tim Adkins  
From: Joe Hudak  
Date: February 6, 2003

Hi Tim,

"We love getting players from the Huntington Hounds baseball program. We know that players who play for the Hounds will not only be very talented but also well coached. They play against some of the best competition in the country. They have an excellent grasp of the commitment and dedication it takes to be successful. Tim and Jon Adkins have done a tremendous job of giving back to their community. They are great ambassadors of amateur baseball."

You do a great job. We need more guys interested in promoting baseball.
